

**3rd Annual Ak-Sar-Ben National**

# **SHORTHORN**

## **Show and Sale**

**Omaha, Nebraska - Dec. 6-7, 1966**

Presentation of some of the breed's finest is the chief concern of this third annual Ak-Sar-Ben National. Fine herd sires, excellent cow families and reputable breeders will be found throughout this catalog.

In a year when expansion of the Shorthorn business has been clearly indicated by a 12 per cent increase in transfers to new owners, we believe this sale affords one of the most opportune moments to observe breed improvement and to make selections from a truly great offering. Join us on December 6th for the show and December 7th for the sale.

We especially appreciate the Knights of Ak-Sar-Ben, particularly James E. (Tom) Brock, General Manager, Arden Aegerter, Director of Activities and Fred W. Gilmore, Chairman of the Livestock Committee for their individual efforts, the \$1000 added premium money and for their cooperation in sponsoring this third annual National Show and Sale

DIAMOND H PALADIN - His sire combines the blood of two great Canadian sires, Bapton Cairnbrogie and Bapton Constructor. His dam was an outstanding show cow and made an enviable record as a breeding cow. Her first son, Proud Piper, is in use in our herd, he was undefeated in class as a two-year old, one son was 1st at Iowa and one of the top bulls of the Denver sale going to Sigatys of Lake City, South Dakota -- a third son topped the Rapid City Sale.

SHORTHORNS - THE MOST RELIABLE BREED IN THE BEEF INDUSTRY.

# STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
